## TANZANIA, EAST AFRICA: TROPICAL ZANZIBAR EXTENSION

If you are planning an East African Wildlife Safari or an ascent up Mt. Kilimanjaro, extending your trip to include the laid-back tropical isle of Zanzibar is a perfect way to wind down. Here you can explore the market and museum in 15th century Stone Town, now a World Heritage Site; sail an ancient dhow in search of dolphins, snorkel the colorful reefs, enjoy Swahili cuisine, relax on remote sandy beaches or in the spa with an "Apres Safari Treatment," especially designed to soothe and rejuvenate after the dust and bumpy roads of the African Bush. **We can also book a custom Rwanda extension for you, your friends or family - call us for details!**

**Trip Dates: 5-Day Custom Departures**

**Land Costs: Jan 16 – March \$1495 (min. 2)**

**June – Oct \$1595 (min. 2)**

### **DAY 1**

Transfer to Arusha airport to connect to your 15-minute flight to Stone Town, the cultural heart of Zanzibar. Transfer to your comfortable inn for dinner and a relaxed evening. In-country flight can be arranged by AA. (D)

### **DAY 2**

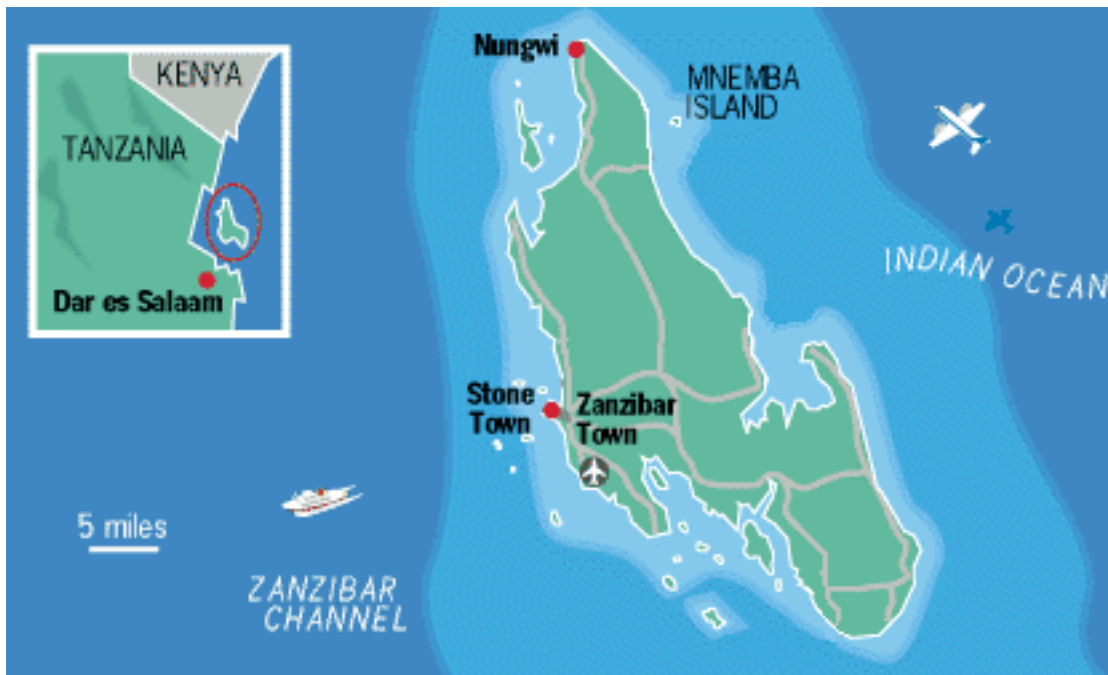

After breakfast, learn about the history of Zanzibar on a privately guided city tour. Recently declared a World Heritage Site by UNESCO, little has changed about Stone Town in the last 200 years: it is a place of winding alleys, bustling bazaars, mosques and grand Arab houses whose original owners vied with each other over the extravagance of their dwellings. This one-upmanship is particularly reflected in the brass-studded, carved, wooden doors - there are more than 500 different examples of this handiwork. The history of Zanzibar would be incomplete without the cloves, nutmeg, cinnamon, pepper and many other spices that brought the Sultans of Oman and the beginnings of the infamous slave trade. They can be seen in the plantations just outside Stone town, and a good Spice Tour includes opportunities to dazzle the senses with fresh spices. You may be surprised by the sheer number of spices produced here and by their incredible value for many ailments. Enjoy lunch and transfer north to your beach resort for dinner and overnight. (BLD)

**DAYS 3-4**

The next two days are spent at a nationally recognized eco-sensitive beach resort. Among the options on your own, you may choose to try your hand at sailing a traditional Arab Dhow (pictured above) while searching for dolphins and snorkeling the tropical waters. Or you may choose to relax in the spa with an “après Safari Treatmenta” especially designed to soothe and rejuvenate after the dusty and bumpy roads of the African Bush. Using ingredients from their own gardens, the chefs here create delicious and healthy meals. From the beach bar to the main restaurant, enjoy fresh seafood and magnificent views of the Indian Ocean. (B, D Daily)

**DAY 5**

After a leisurely breakfast, transfer to the airport for your short flight back to Dar Es Salaam. Pick up any stored luggage and connect to your evening return flight home. (B) End of AA Services.
